THIS IS WHAT DEVELOPING LIFE-SAVING TECHNOLOGY LOOKS LIKE

Technology careers at L3
WHO IS L3?

L3 Technologies is a Fortune 275 Company, the 8th largest Aerospace and Defense contractor with $9.5 billion in annual sales.

At L3, we believe you can do work that matters and spend time with the people that matter.

That's why we can develop cutting-edge tech that keeps our forces safe, and still take Fridays off.

OUR OPPORTUNITIES

We have a number of opportunities across California.

Here are the key positions we’re currently recruiting for:

• Electrical Engineers
• Mechanical Engineers
• Ocean Engineers
• Software Engineers
• Systems Engineers
