L-3 to Support U.S. Air Force Foreign Military Sales Program for Yemen ISR

WACO, Texas, September 8, 2014 – L-3 Platform Integration announced today that it has been awarded an undefinitized contract action (UCA) from the U.S. Air Force to provide intelligence, surveillance and reconnaissance (ISR) aircraft, training and spares to support counterterrorism efforts in Yemen. The UCA for this Foreign Military Sales (FMS) program is not to exceed \$41.5 million.

“We are pleased to join subcontractor Air Tractor to support this FMS program for Yemen ISR,” said Nick Farah, sector president of L-3 Platform Systems, which includes the Platform Integration division.

The program includes the procurement and modification of four Air Tractor AT-802U aircraft, as well as training and spares. It is expected to be complete by September 30, 2015.

L-3 Platform Integration in Waco, Texas, provides complex aircraft integration, sustainment and modification services for military, commercial and OEM customers. The company is part of the L-3 Aerospace Systems business segment. To learn more about L-3 Platform Integration, please visit the segment’s website at www.L-3com.com/is/waco.

Headquartered in New York City, L-3 employs approximately 48,000 people worldwide and is a prime contractor in aerospace systems and national security solutions. L-3 is also a leading provider of a broad range of communication and electronic systems and products used on military and commercial platforms. The company reported 2013 sales of \$12.6 billion.
