In addition to any other remedies provided by law or under this Order, Seller agrees to indemnify and hold Buyer harmless to the full extent of any loss, damage, or expense if Buyer is subject to any liability as the result of a failure of the Seller or its lower-tier subcontractors to comply with the requirements of FAR 52.230-2, 52.230-3, 52.230-5 and 52.230-6. Paragraph (b) is deleted in each of the foregoing clauses.

B. TRUTH IN NEGOTIATIONS

Cost or Pricing Data (applicable only if certified cost or pricing data has been provided). The clause entitled “Subcontractor Cost or Pricing Data” is a part of this Order if the Seller was required to furnish cost and pricing data and a Certification of Current Cost or Pricing Data for this Order. If it was not required to furnish such data and Certificate, the clause entitled “Subcontractor Cost or Pricing Data Modification” is a part of this Order. Seller shall update its proposal and re-certify its cost or pricing data whenever costs, factors, or prices change such that cost or pricing data previously furnished is no longer, accurate, current, or complete.

1. Indemnification

   If any price (including profit or fee) negotiated in connection with the prime contract between the Government and the Buyer or any cost that is reimbursable under said contract is reduced because cost or pricing data furnished by the Seller in connection with any proposal submitted by the Buyer relating to said contract or in connection with this Order was not accurate, complete, or current, the Seller shall indemnify the Buyer in the amount of said reduction.

   The phrase “cost or pricing data” as used herein shall be deemed to include any such data, which related to a lower-tier prospective or actual subcontract, at any level, which was submitted by the Seller or which it procured by submission of, in connection with the aforesaid proposal or this Order in support of its cost estimate.

   If any reduction in the contract price under this clause reduces the price of items for which payment was made prior to the date of the modification reflecting the price reduction, the Seller shall be liable and shall pay the Buyer at the time such overpayment is repaid:

      i. Simple interest on the amount of such overpayment to be computed from the date(s) of overpayment to the Seller to the date the Buyer is repaid by the Seller at that applicable underpayment rate effective for each quarter prescribed by the Secretary of the Treasury under 26 U.S.C 6621(a)(2); and

      ii. For Department of Defense contracts only, a penalty equal to the amount of the overpayment, if the Seller knowingly submitted cost or pricing data which were incomplete, inaccurate, or non-current.

2. Cost or Pricing Data for Changes

   Prior to the pricing of any change or other modification to this Order which involves, increases and/or decreases in costs plus applicable profit in excess of the contractually required threshold (e.g. $100,000, $500,000, $500,000 or $650,000) and resulting from a change in the prime contract, subcontractors shall submit cost or pricing data and shall certify that the data, as defined in Federal Acquisition Regulation 15.406-2, submitted either actually or by specific identification in writing are accurate, complete, and current as of the date of completion of negotiations.

   When required to obtain cost or pricing data from its subcontractors, pursuant to the provisions of this Order, Seller shall obtain such data.

6. DISPUTES – GOVERNMENT CONTRACTS

   Any reference to the “Disputes clause” in any applicable FAR Clause under paragraph 2 above shall mean this paragraph 5, Disputes – Government Contracts

      i. Any dispute arising under this purchase order relating to any decision of the Contracting Officer under the
prime contract shall be resolved in accordance with Paragraph (ii) below. All other disputes will be resolved under the Article entitled, "DISPUTES", as found in Corporate Form CC008 of the Subcontract.

ii. 1. Notwithstanding any other provisions in this purchase order, any decision of the Contracting Officer under the prime contract which binds Buyer shall bind both Buyer and Seller to the extent that it relates to this purchase order –provided that:
   a. The Buyer notifies with reasonable promptness the Seller of such decision
   b. The Buyer, at its sole discretion, authorizes in writing the Seller to appeal in the name of the Buyer such decision at its own expense, or
   c. If Buyer should appeal such decision, Buyer at its sole discretion offers to the Seller the opportunity at its own expense to join Buyer in such appeal.

2. Any decision upon such appeal, when final, shall be binding upon the Seller.

3. The Seller shall keep Buyer informed of any appeal it makes by providing copies of all pertinent documents to Buyer.

4. The Seller shall indemnify and save harmless from any and all liability of any kind incurred by or imputed to Buyer under Section 5, “Fraudulent Claims,” of the Contract Disputes Act of 1978, as amended, if Seller is unable to support any part of its claim and it is determined that such inability is attributable to fraud or misinterpretation of fact on the part of Seller.

iii. Pending any prosecution, appeal, or final decision or settlement of any dispute arising under this purchase order, the Seller shall proceed diligently, as directed by Buyer, with the performance of this purchase order.

iv. Nothing in this clause nor any authorization or offer that may be made shall be deemed to constitute acceptance or acknowledgement by Buyer of the validity of Seller’s claim or any part thereof, nor be deemed to limit or in any way restrict Buyer from taking any actions, included available remedies, it deems appropriate to protect its own interests.

v. As used in this clause, the word “appeal” means an appeal taken under the contract Disputes Act of 1978, as amended.
